

Hello Horst,

A friend told me that you have the newest software for the AMIGA.

I have got an AMIGA and I am looking for the newest stuff.

Could you help me? We could exchange the software.

On the second sheet of paper you see my software for the AMIGA.

I hope, I get an answer from you.

Please when you send me an answer or software  
then only in a letter, not in a package.  
I will pay the costs.
