Dear Sir,

Owing to the long delay between the date on your letter and my receipt of it, I write to you to let you know the process of my research on your behalf. I apologise for the delay but committee meetings occur only monthly. The club secretary has passed your request on to me due to my interest in multi media applications.

Rather than simply rely on my personal experience I have contacted the Chamber of Commerce and Industry of Western Australia and have an appointment to meet with a rep this Thursday, the 23rd.

I will write again immediately I have some information to forward.

Sincerely,

John Bath.
